It might not be a bad idea to tear down all the Uplift mottoes, the pretty poems, the Messages of the Day, etc., and put in their places one motto, with letters a foot wide, to this effect: "Tell The Truth." There really would be less trouble if there were more of that done these days.

We are still eagerly looking for the announcement of the merchant who is reducing the price of shoes on account of the removal of the tariff on hides.—Des Moines Capital.

Mister, you might get Br'er ALLEN of The Cynthiana Democrat to locate him for you in or about Cynthiana, as he was so quick to exploit the opinion of a local clothing merchant who, while puffing at a ten-center, coolly stated in a free interview that the increased tariff on clothing would, perforce, compel him to boost the price of clothing to the Uncle Hiram of old Harrison. As this same merchant probably sells shoes on which the tariff has been lowered, will he now sell

shoes cheaper to his customers? It's a poor rule that won't work a-going and a-coming to skin somebody. *En passant*, as the parics vous [Francaise fellows would remark, Br'er ALLEN is not suffering from the effects of Republican high tariff, it seems, but is going right ahead modernizing his newspaper office and making money to beat the band.

Under Democratic free silver and free trade The Cynthiana Democrat and THE MAYSVILLE PUBLIC LEDGER would have both been sold out by the Sheriff long ago.

Uncle JERMS, all that appears to ail you at present writing is a chronic case of nervous prosperity, which can be plainly diagnosed as ingrowing. It is now in its mild incipency, but may develop into a malignant form of "exaggerated ego" if allowed to go unchecked.

SOME one will profit by the reduction of duties, but it will not be the fellow who buys things at retail.—San Francisco Chronicle.

THE Buffalo News well says that Canada can have no just complaint against our tariff as long as she gives Great Britain 33 1/3% preference in customs duties, and also gives France special favors.

R. B. Riggan was exonerated on assessment of \$400 cash, as Executor of H. B. Riggan, same being an error of Assessor.

Bishop Burton will hold services at Paris tomorrow.

Charles Wood, son of Mr. Nat Wood of Oklahoma City, here visiting, was taken to Wilson Hospital last evening to be treated for typhoid fever.

Mr. Lovel Samuel left this morning for French Lick Springs to be with his father, Dr. J. H. Samuel, who is a visitor at the Springs, and is reported to be quite ill.

Yesterday Mrs. Shelby M. Blatterman and Miss Alice Gill had a fortunate escape from injury. They were driving in a buggy, and when near the intersection of West Second and Wall streets the horse slipped and fell on the brick streets, breaking both shafts of the buggy.

The baseball season in the Bluegrass closes at Lexington tomorrow.

WHAT IS HEM-ROID?

A Tablet, Taken Internally, That Cures Piles

Piles (hemorrhoids) are getting more common every day, because we live unnaturally, over-eating, overworking, taking little exercise, gradually causing a deadening of veins and tissues in the lower bowel. Blood stagnation is the cause of piles and a condition that can't be permanently cured with ointments.

Dr. Leonhardt's Hem-Roid is the only internal tablet remedy that cures piles by freeing the circulation. Sold under guarantee at J. James Wood & Son's, Maysville, Ky. Price \$1. Dr. Leonhardt Co., Station B, Buffalo, N. Y.

NEW YORK, Oct. 1st.—New York City and State today gave Commander Robert E. Peary a welcome home such as few returning heroes can hope to receive. One of the largest meetings of Mason county tobacco growers ever held in Maysville took place at the Courthouse Thursday afternoon. It was shown that 51% of Mason's 1909 crop of tobacco was signed to the Pool. Twenty days' time was given to securing the balance of the crop. Mason's crop this year will total 8,000,000 pounds, and as only half of it is signed to the Burley Pool it will be seen that there is much work ahead to secure the 75% that is desired.

Samuel Hopper, who was brought to the Newport Jail by Federal officers several days ago from Springdale, Ky., pending his trial in the Federal Court on the charge of violating the postal laws, was much disappointed yesterday when he failed to secure his release from Jail.

Hopper's bond had been fixed at \$500 and yesterday his aged mother came to Newport with the amount to bail her son. She was very much disappointed when she was informed that the bail had been increased to \$1,000, and, unable to furnish this, she was compelled to return home without her son. Hopper is charged with signing for a registered letter that contained \$25.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its
outside wrapper the
Signature

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

VAUDEVILLE PLAYLET

Mrs. H. L. Hamilton of This City to
Organize Company

Portsmouth, Blade.

Mrs. Lud Hamilton, wife of the former Orphim Manager, is soon to put a vaudeville act on the stage. It is to be a big hit, as the people in it are to be young girls with good voices.

Mrs. Hamilton, who is now living at Zanesville, expects to have the tour ready for presentation in a few weeks. She has secured two Zanesville girls and has also written to

A WOMAN'S APPEAL

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia pains, to write to her for a home treatment which has repeatedly cured all of these tortures. She feels it her duty to send to all sufferers FREE. You cure yourself at home, as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. SUMMERS, Box R, South Bend, Ind.

some very well known society girls in this city, inviting them to join the company. While the local girls may have some desire to become members of those who amuse you from behind the foot-lights they will curb their ambition.

Mrs. Hamilton, who has quite a great deal of talent for stage work, will form part of the company and all that is now needed to complete it is a soprano and an alto. There are to be six girls in the company and the act will depict College life.

If properly arranged and produced this act ought to be a hit, and as Mr. Hamilton is quite influential with the big booking agencies the act should play to some big business. It is very likely that Miss Maud Berry of Maysville, a sister of Mrs. Hamilton, will form a part of the company.

The Democratic Primary to nominate a candidate for County Judge in Nicholas county occurs today and promises to be a red hot contest. The candidates are John F. Morgan, Harry Kennedy, W. H. McNew, the present Judge, and John M. Campbell.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

I am sure that the Negroes of Maysville are very proud of their new School Building and it should be the pride of every patriotic, liberty-loving colored man and woman in Maysville. The school, like the Church, stands for all that is good and noble in us. The school ground is not in keeping with the building, so I move that a committee of our colored citizens be appointed to call a meeting and arrange to beautify the ground—set out trees, plant flowers and make our school a place of beauty I am ready any day. A HELPING HAND.

Is Gladly Extended By a Maysville Citizen.

There are many enthusiastic citizens in Maysville prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement:

Mrs. John E. Burns of Maysville, Ky., says: "I value Doan's Kidney Pills just as highly today as when I gave a statement in their favor some years ago. I was subject to frequent attacks of kidney trouble and at times the pain in my back was so acute that I was confined to my bed for days. The quick and decided relief I obtained from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have since elapsed, I have had no serious return of kidney trouble. On some occasions, I have felt a slight backache, but a few doses of this valuable remedy have never failed to ward off any serious attack."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
